Confirmation for Master's Term Project Supervision

From Rajaram Swaminathan <rsw@iitg.ac.in>**Date** Thu 2026-09-03 10:40**To** ARKADIP DAS <arkadip.das@iitg.ac.in>

This is to confirm that Mr. Arkadip Das, Roll No. 254106007, a student of M.Tech Biotechnology at Dept. of Biosciences and Bioengineering, IIT Guwahati, is currently working under my supervision for his Master's term project titled "Expression, Purification, and Biophysical Characterization of KRas.

He started working on this project from July 2026 and is expected to complete it by June 2027. I will be supervising his progress and guide him as needed throughout the duration of the project.

Swaminathan

R. Swaminathan, Professor of Biosciences and Bioengineering,
Indian Inst. of Tech. Guwahati, Guwahati 781039, Assam, India
